Subject: RE: question on Navy's website

Thanks Rob. The link worked on my computer. Is this the same website as the link that Lora sent? Just wondering, because the list doesn't seem to be complete. For example, although I saw a listing for Northrop Grumman's comments (dated May 2011) on the Navy's draft Optimization Report for OU-2, I didn't see the actual Optimization Report listed, and I didn't see the comments from other Parties listed. I also didn't see the OU-2 Federal Facilities Agreement (2005) listed. When I return to the office, I'll check this website against the link that Lora sent.

Thanks,
-Carol-

Thanks Lora. I'll try it when I'm back in the office tomorrow. My home computer doesn't seem to have enough memory to download the pdf.

Subject: question on Navy's website

Good morning Steve and Lora - At the TAC meeting on April 10th, it was mentioned that many background reports can be found on the Navy's website for Navy-Bethpage. I don't seem to have that website, and I couldn't locate it when I did a search on the Navy's homepage. When you have the chance, please e-mail me a link to the website.

Thanks,

-Carol-
